

# Say "goodbye" to mouldy grout forever

**OzzieSplash** are your local Splashback specialists and they specialise in the production of Acrylic and Metaline® splashbacks and offer a cost effective high quality product. Our Splashbacks are manufactured, spray painted and finished right here in our local facility at West Gosford.

We can cut the splashbacks to your specifications, including holes for taps and other wall fittings, if required or alternatively if you have your own DIY project and are renovating or building your own home our Acrylic splashbacks are the ideal product for DIY requirements because it can be easily installed on any vertical wall as well as over existing tiles, brick walls, gyprock and villaboard. It is great for mixing colours to suit your personal décor as it is supplied in almost all Dulux and metallic colours.

OZZIESPLASH offers a great alternative to conventional glass shower walls and wall cladding for bathrooms with an extensive range of acrylic panels. Glass shower walls and wall cladding for bathrooms provide an elegant and easy to clean modern finish. OZZIESPLASH acrylic splashbacks offer a great alternative at half the weight, cost and time of installation, saving builders and home owners the problems associated with colourback.

It is the modern versatile alternative to tiles or glass suitable for all vertical walls in kitchens (\*not suitable behind heat source) – bathrooms – laundries – bars-butler's pantry as well as restaurants and many other domestic and commercial situations.

We believe in helping you to select and install splashbacks that do the job, look fantastic and most importantly feel right. So, before getting started call us first! We can help you bring the colour back into your life! "We combine our full installation services with the DIY option and the opportunity to transform your home or business at affordable prices without having to compromise on quality.

OzzieSplash is family owned and operated and has serviced the area for the past five years providing splashback installation services throughout the region. Our mission is to provide exceptional, personalized service to our valued customers. We look forward to helping you create that fresh new look for your project.
